

BION ADVERTISING

ABOUT US

“

Bion Advertising is an advertising agency established in 2017
and it is one of the largest agencies in egypt
specialized in digital marketing and media production
had been established in dubai 2021

”

WHY US?

We have one mission : to generate demand for your product or service , sound oversimplified ? maybe ,but maybe not easy to find advertising that flashy but lacks strategy , or conversely , a campaign that demonstrates solid strategy that is weakend by creativity and branding .

but a campaign that doesn't have everything will never generate the kind of demand your business need and deserve .
you deserve a firm that takes the time to learn about you ,
your industry and your customers .

of course , we , too , are enamored by by witty headlines and eye catching in fact ,
we strive for it . but ensuring that every component of a good campaign is represented is
what you can expect from Bion advertising agency .

Digital Marketing

We are digital marketing agency , techies solution that cares about bringing clients more business organizations and professionals local and global delivering cutting edg web design and digital marketing service , we can help you to get in developing your electronic platforms
([instagram](#) - [snabchat](#) - [website](#) - [facebook](#) - [twitter](#))

fully developing and increasing the number of cosomers significantly and developing the best markting plans by developing the most approparte strategy for the customer through [wich to obtain the best results](#) .

SOCIAL MEDIA

The numbers say it all: It's either you get into the social media bandwagon or you are left out of the competition. Internet revolution has created new forms of communication and presentation. Today is impossible to deal with any business without using all of the advantages of social network advertising.

It is not just about a number of followers, as it is about maintaining their attention on the specified focus by using a proper and professional communication.

We offer analytic services and the planning of advertising strategy on social networks, regular profile maintenance as well as advertising your profiles and web pages with the profiled target group.

WEB DESIGN

Modern times – modern methods. A click was never more important than today. Introduce yourself to the public in the best way. Be in the center of attention and interest by following the latest trends on the Internet.

Present yourself, your product, service or a company through an original and eye catching website.

Adjust your web page to your needs, and make the page surfing easier for your clients.

Your webpage is your ID!

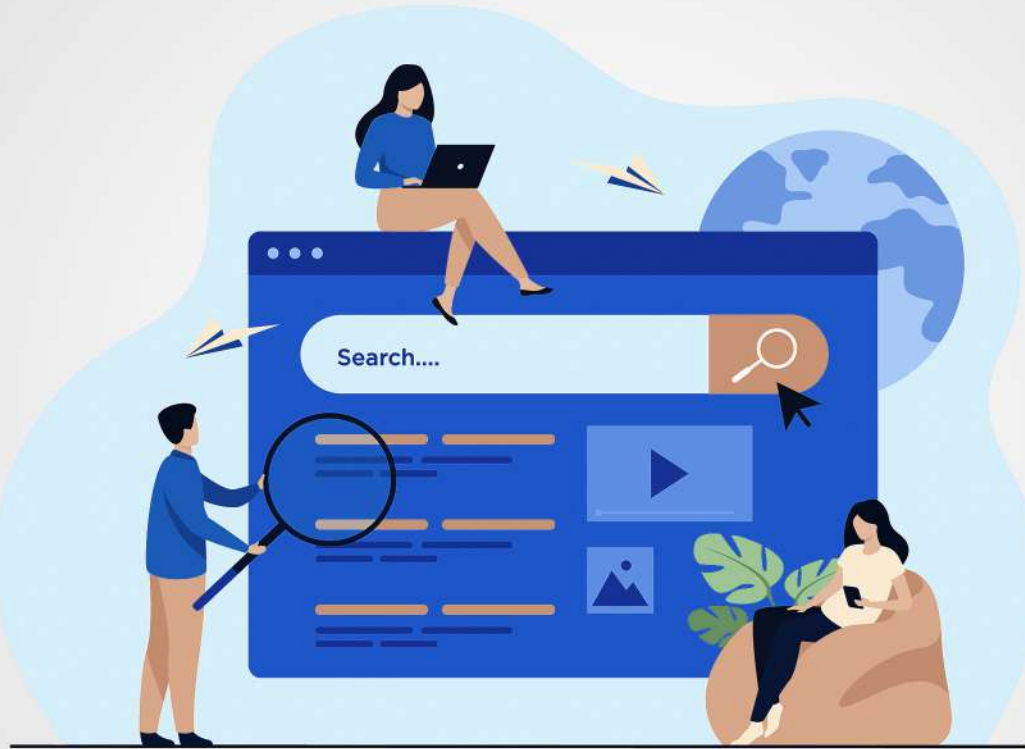

We are offering a complete web support: design, optimization and updating;

positioning your website on the leading search engines (google, yahoo...),

Be the first one who pops-up and increase your business potentials.

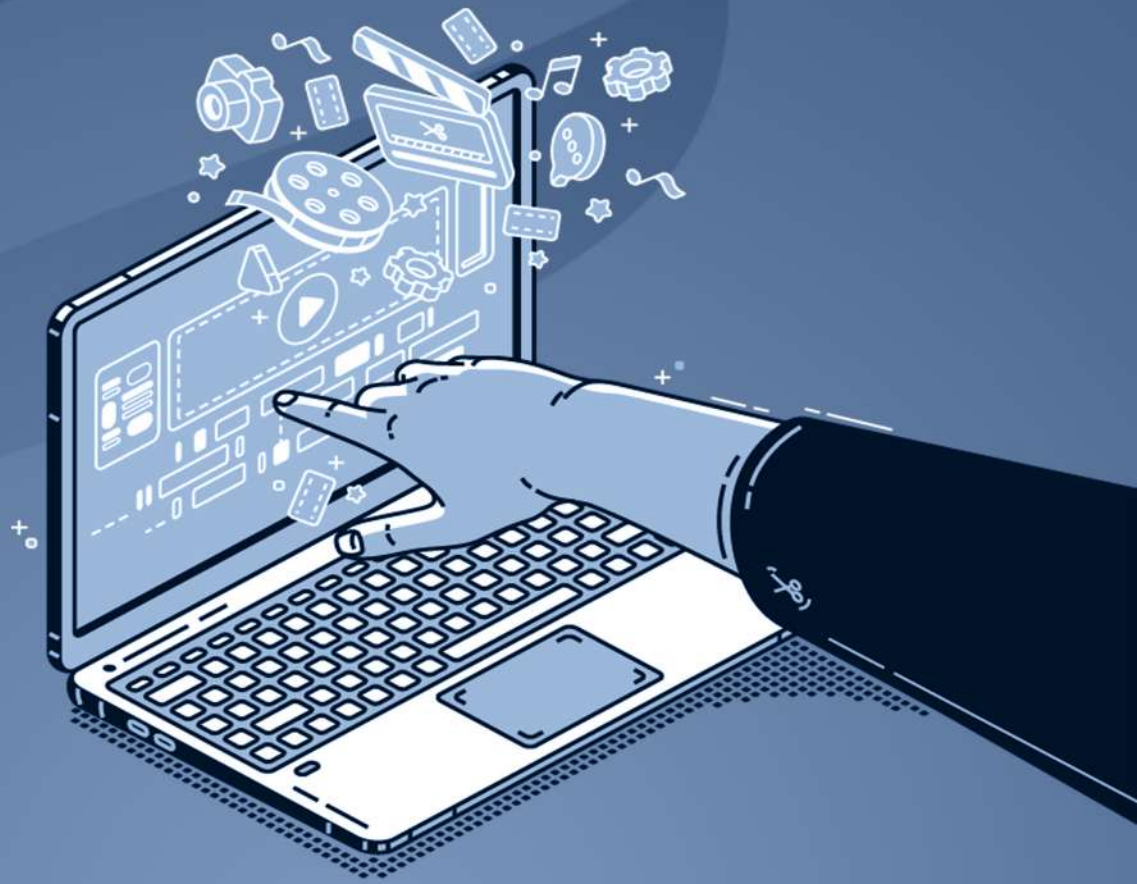

Web is the most powerful media that is used by all –

do not miss out on an opportunity to present yourself in the best light!

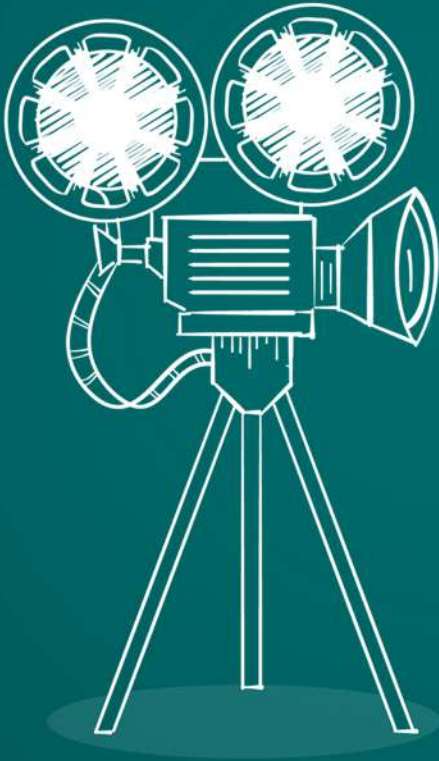

SEO

Most SEO agencies have it wrong. They focus only on rankings and ignore revenue. Rankings are great, but if those rankings don't convert in to traffic and sales, it doesn't matter. All we care about is how many new customers we get you and how much profit we add to your bottom line. We put your business first. Before we begin our engagement with you, we'll agree on the exact result you want us to achieve for you. We'll then analyze your website in-depth, find the areas that need to be improved and come up with a detailed action plan to get you there.

Media Production

There are three parts in a production
(pre-production - production and post production)
we can cover the whole media production
process for corporate / promo videos , commercials
television shows . , as well as any other viewable
and audible content for radio .

FILMMAKING

We perceive the moving image as a window to a imaginary world where anything is possible. Freedom of expression through a movie language is our basic guide and imagination in a combination with client's needs is the main driving force.

With a wide range of equipment available for even the most demanding clients we offer a full realization of documentaries, corporate films, music videos, commercials, animation. In the formats and records that you request (SD, HD, super8, 16mm, 35mm) and at the highest standards.

We are recognized for original scenarios, clear ideas and quality.

PHOTOGRAPHY

All photography needs can be solved in one place. We offer you studio or outdoor photography. We can design and assist in producing fashion editorials, corporate and commercial photographs. For us the most important things is how you will present yourself in the public.

We do photography with love and great creativity, following trends and in compliance with standards. One camera, one eye – a thousand opportunities .

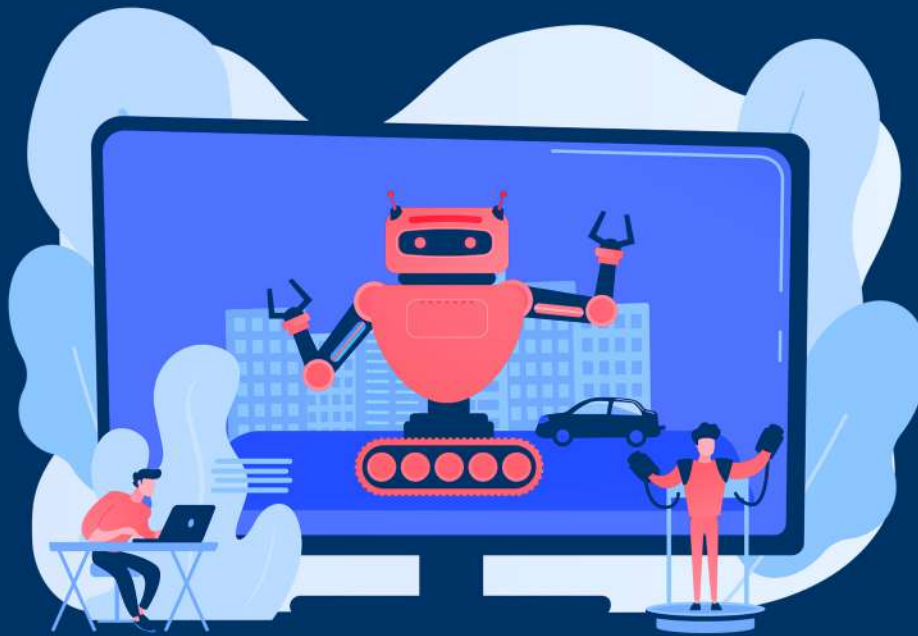

We don't design product, but dreams.

We understand your need to be recognized, creative and unique. We are here to make the world more beautiful for you.

Whether you are in need of logo, flyer, branding or a website ... graphic design is the key point.

With our experience and creativity we are at your service. Let us play for you and with you, bringing ideas to life... ideas you never knew you wanted.

MOTION GRAPHICS

We at bion are equipped to provide 2D & 3D Motion Graphics and production services which helps in enabling a brand to tell the right story in the most appealing manner ,
Make your dreams with us flowing in motion

VFX

Visual effects is the process by which imagery is created or manipulated outside the context of a live action shot in filmmaking and video production. The integration of live action footage and CG elements to create realistic imagery is called VFX so our team always strives to frame your imagination .
